## Our design team is spearheaded by the duo - **Rohit and Abhishek Kamra.**

Indian born, their philosophy of design originates from a strong belief of redefining opulence. The silhouettes are primarily power driven, with a synthesis of eastern and western sensibilities. The in borne instinct to aesthetically blend colors, with an eye for meticulous detail, along with flawless clean cuts, makes the collection matchless. The collection epitomizes creativity, wherein a lot of emphasis has been laid on keeping the exotic Indian touch intact.
